Dear Sir:

We wish to amend our license to permit only authorized individuals who have completed the Troxler Electronic Laboratories, Inc. training course for the use of nuclear testing equipment use of our gauges.

We will make sure each person authorized to use our gauges has been informed of the regulations regarding their use. We also will maintain a copy of his or her license on file.

Our check in the amount of \$60.00 covering the permit fee is enclosed, if not required please return.

I wish to thank you for your help in this matter, and if you are in need of more information, please advise.
