Gentlemen:

SUBJECT: REPORT NOS. 50-369/84-40 AND 50-370/84-35

On November 27 - December 11, 1984, NRC inspected activities authorized by NRC License Nos. NPF-9 and NPF-17 for your McGuire facility. At the conclusion of the inspection, the findings were discussed with those members of your staff identified in the enclosed inspection report.

Areas examined during the inspection are identified in the report. Within these areas, the inspection consisted of selective examinations of procedures and representative records, interviews with personnel, and observation of activities in progress.

The inspection findings indicate that certain activities violated NRC requirements. The violations, references to pertinent requirements, and elements to be included in your response are presented in the enclosed Notice of Violation.

In addition to the need for corrective action regarding these specific violations, we are concerned about the implementation of your management control system that permitted their occurrence. Consequently, in your reply, you should describe in particular those actions taken or planned to assure that post trip reviews are thorough and that the reactor protective system and engineered safety systems tests include the necessary specifics to assure that required functions are properly tested.

In accordance with 10 CFR 2.790(a), a copy of this letter, its enclosures, and your reply will be placed in NRC's Public Document Room upon completion of our evaluation of the reply. If you wish to withhold information contained therein, please notify this office by telephone and include a written application to withhold information in your response. Such application must be consistent with the requirements of 2.790(b)(1).

The responses directed by this letter and the enclosures are not subject to the clearance procedures of the Office of Management and Budget issued under the Paperwork Reduction Act of 1980, PL 96-511.

Should you have any questions concerning this letter, please contact us.

Sincerely,

Original Signed By
