Docket No.: 50-445

COMANCHE PEAK STEAM ELECTRIC STATION
ELECTRICAL RACEWAY SUPPORT SYSTEM
QA FILE: CP-85-31, SDAR-192
FILE NO.: 10110

Dear Mr. Hunter:

On August 27, 1985 we verbally notified your Mr. D. Hunnicutt of a deficiency regarding the possible impact of previously unconsidered weight on the electrical raceway support system imposed by the installation of separation barrier and radiant energy shield material.

We are continuing our evaluation and anticipate completion by October 18, 1985.

Very truly yours,

W.G. Council
