GEORGIA POWER COMPANY, et al.
(Vogtle Electric Generating Plant, Units 1 & 2)
Docket Nos. 50-424 and 50-425

Dear Administrative Judges:

On June 25, 1985, Applicants, after consulting with the other parties, proposed that hearings begin on November 19, 1985 in this proceeding. The Staff had concurred with the schedule, and Joint Intervenor had stated that they could not take a position until they had received certain additional discovery responses from Applicants. Applicants indicated that they would talk to Joint Intervenor after the material had been provided and report back to the Licensing Board.

Applicants provided the discovery information on July 5. Joint Intervenor have informed Applicants that they would prefer to have the hearings begin in "early 1986," and that they would file a statement of their position sometime next week.

July 19, 1985

Applicants have filed motions for summary disposition of five of the nine contentions admitted by the Board in its September 5, 1984 order, and expect to have motions filed on the remainder by August 1. To the extent any such contentions should remain for litigation after the Board has ruled on the summary disposition motions, Applicants reiterate their proposal for a November 19 hearing date on those contentions.

Staff counsel has authorized Applicants to state that the Staff is still in agreement with a November 19 schedule.

Sincerely yours,
