Mr. Richard R. Rawl
Chief Radioactive Materials Branch
Office of Hazardous Materials Transportation
Materials Transportation Bureau
Department of Transportation
Washington, DC 20590

Dear Mr. Rawl:

The NRC in July 1985, issued amendments to reactor license No. R-81 and SNM License No. SNM-639 changing the name of the licensee from Union Carbide Subsidiary B, Inc. to Cintichem, Inc. The actual change in license took place on August 1, 1985.

Because of this change, we request that Cintichem Inc., P. O. Box 816, Tuxedo, NY be added to the registered users list for Special Permit No. 5800 (Certificate Number USA/5800/B). Union Carbide, Tuxedo, NY can be removed from the users list.

Sincerely,

W G Ruzicka

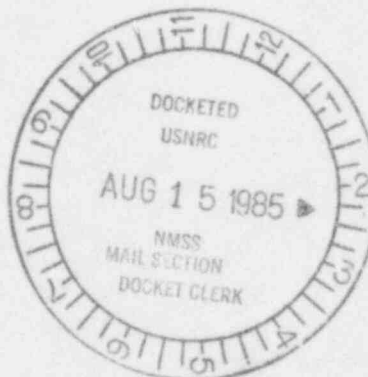

William G. Ruzicka
Manager, Nuclear Operations
