The staff should add clarifying statements to Section I, Areas of Review, of the SRP on Financial Qualifications and Decommissioning Funding Assurance and to the introduction of the SRP on Antitrust that indicate the SRPs, as presented reflect current regulation and policy, and will be updated to reflect changes to regulations resulting from responses to the Advanced Notice of Proposed Rulemaking and the Draft Policy Statement. The Federal Register Notice should clearly state that the SRPs are being published to obtain public comments and do not reflect the Commission's final positions.
