Dear Mr. Kirk:

We were pleased to have Messrs. Nussbaumer, Beck, Page and Harrison from your staff visit our uranium mills in July. During their visit, Mr. Nussbaumer requested we send you up-to-date block flow diagrams of each mill. Accordingly, I am enclosing four flow diagrams, for Union Carbide Nuclear Company's mills at Uraven, Rifle and Maybell, Colorado, and the Globe Mining Company mill located in the Gas Hills area of Wyoming.

Very truly yours,

*Sylvan Cromer*
