Dear Mr. Kirk:

The dates of July 18, 19, 20, and 26 requested in your letter of July 3, 1962 for visits to our Uravan, Rifle, Maybell and Globe mills, respectively, for Messrs. Nussbaumer, Reck, Page and Harmon will be satisfactory. We also understand that the group may be accompanied by representatives from the U. S. Public Health Service and State Health Department.

We shall be happy to show these people our facilities and attempt to answer any questions they might have in connection with our source material license renewal applications.

Will you please ask these men to contact Mr. R. G. Beverly in our Grand Junction, Colorado office as he will take care of the details for these plant visits.

Very truly yours,

Sydney Cromer
