Control No. 01387

Gentlemen:

This refers to your application dated February 16, 1979, for the renewal of Byproduct Material License No. 12-15908-01.

Certain items of your application are not sufficiently detailed to enable us to complete our health and safety review. To assist you in providing the required information, we have enclosed a licensing guide on which we have marked the particular items requiring more information. Please review these items and provide the information as described in the guide.

When replying, please furnish the requested information in duplicate, and refer to Control No. 01387.

Sincerely,

Samuel L. Pettijohn
