**Re: Predecisional Enforcement Conference Summary and Conclusions Reached
[NRC Inspection Report No. 52-16345-02MD/96-01]**

Dear Mr Mallett

It is with pleasure that we received your letter of 6 November 1996, regarding the 26 and 29 July 1996 inspections of our Carolina, Puerto Rico facility. I appreciated hearing the favourable results of the predecisional enforcement conference on 26 September 1996 and receiving the supporting documentation. We are happy to note that License No. 52-16345-02MD was amended to reflect transfer to Syncor de Puerto Rico, Inc.

On behalf of Syncor Overseas Ltd., and its parent Syncor International Corporation, we thank you for your attention and speedy response. We assure you that Syncor will carry forward its tradition of providing the highest possible level of service to the local community, and that the staff of Syncor de Puerto Rico will strive to meet and surpass the requirements and recommendations of your office.

Cordially
SYNCOR OVERSEAS LTD.
