General Nuclear Systems, Inc.
ATTN: Mr. Victor J. Barnhart
Program Manager
135 Darling Drive
Avon, CT 06001

Gentlemen:

This refers to your application dated March 4, 1985, for a Quality Assurance (QA) Program Approval for General Nuclear Systems, Inc. (GNSI).

By letter dated May 8, 1985, an application which addresses all the requirements of 10 CFR §71.101 was requested. To date we have not received the additional information. Unless this information is provided within 30 days, we plan to issue a denial of your March 4, 1985, application.

Sincerely,

Charles E. MacDonald
Charles E. MacDonald, Chief
