Mr. Jack Whitten
United States Nuclear Regulatory Commission
611 Ryan Plaza Drive, Suite 1000
Arlington, Texas 76010

Dear Mr. Whitten:

As you requested in our recent telephone conversation, I am sending you this letter to inform you of the method we plan to use for leak testing our nuclear equipment.

We plan to conduct the required leak tests through use of materials provided us by the manufacturer of the machine. We will conduct the leak tests as they are required.

If additional information is required, please contact me.

Please continue the processing of our application and inform us as to the status of the license.

Thank you.

Sincerely,

HILDE CONSTRUCTION CO., INC.
