Attn: Ms. Cheryl Phillips

Subject: By-Product Material License No. 34-03043-03

Dear Ms. Phillips:

This letter refers to an amendment fee for By-Product Material License No. 34-03043-03.

I seem to have two control numbers; 1) No. 78840 from Region III, and 2) No. 378840 as noted in the letter from Glenda Jackson.

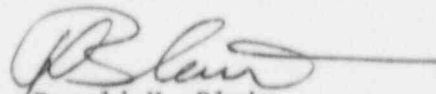

We sent originally	\$ 40.00
We followed on 5/8/85 with	<u>20.00</u>
Total paid	\$ 60.00

According to latest letter, we owe	\$ 120.00
Previously paid	<u>60.00</u>

We are enclosing balance of	\$ 60.00
to cover the total fee amount.	

I hope this will satisfy our fee commitment.

Very truly yours,

Donald H. Blair  
Radiological Safety Administrator
