Results: No material has been procured by the licensee.

81-28170027

4A

DETAILS

1. Persons Contacted

Mr. W. D. Trowbridge

2. Source of Information

Mr. W. D. Trowbridge and the license file.

3. Scope of Program

License authorized use of cobalt 60 and iridium 192 to perform leak and contamination tests.

4. Status of Program

No material was procured by the licensee.

5. Conclusion

Based on statement by Mr. Trowbridge and the completed NRC-314, received on June 12, 1981, no material was purchased by the licensee.

Therefore, this license should be retired.
