ATOMIC ENERGY COMMISSION

IN THE MATTER OF

MINES DEVELOPMENT, INC.

) Source Material License No. R-174

)

) Docket No. 40-1341

ORDER POSTPONING HEARING TO MAY 17, 1960

On March 18, 1960, Mines Development, Inc., Denver, Colorado, (Mines) and the Staff of the Commission jointly informed the Presiding Officer that the evidence pertaining to the issues prescribed by the Commission for consideration at a hearing would necessitate further investigation and preparation and that possibly three days would be required for a complete presentation of all evidence proposed to be adduced.

The Presiding Officer finds:

1. Good cause exists for a postponement of the hearing now set for March 25, 1960.
2. The date which appears most convenient to both Mines and the Staff for the commencement of a 3-day hearing is May 17, 1960.

The Presiding Officer orders:

1. The hearing in this cause concerning the issues prescribed for consideration by the Commission is postponed from March 25th to May 17th, 1960, in a courtroom to be assigned in the United States District Court, 1823 Stout Street, Denver, Colorado.
