Lee Anthony
Consult. w/ Physics Associates (Glen Oak VA)
✓ RSO to
Rockingham Memorial Hospital

Comments: ① agree w/ stress on RSO being a top level of mgt.
JCAHO requires lic. to adhere to recommendations of
NCRP. NCRP (in report no. #105?) clearly states that
the RSO shld. be a the top level of mgt. There's the
mandate connection.

② Great document!
