Attention: Mr. R. F. Hollis, General Manager

Gentlemen:

Thank you for your letter of September 9, 1958.

The results of your surveys and other corrective action being taken at your plant in Moab, Utah, will be reviewed during the next inspection of those facilities.

Enclosed you will find Amendment No. 3 to your license R-161, which exempts you from certain posting and labeling requirements of the AEC's "Standards For Protection Against Radiation," Part 20, Code of Federal Regulations, Title 10.

Please let us know if you have any questions concerning your amended license.

Very truly yours,
