Gentlemen:

Thank you for your letter dated August 26, 1985, informing us of the steps you have taken to correct the noncompliance identified in our letter dated July 29, 1985. With respect to Item 2, while your letter states that you will be amending your license to achieve corrective action for the item of noncompliance, it should be understood that no activity is in accord with NRC regulatory requirements unless an until it is specifically authorized in an NRC license. Your letter has been referred to our Licensing Section for action on your amendment request. Steps should be taken to ensure that NRC-licensed materials are hereafter possessed and used only as authorized by your license. We will examine this matter during a future inspection.

Your cooperation with us is appreciated.

Sincerely,

D. J. Sreniawski, Chief
Nuclear Materials Safety Section 2
