

September 20, 1985
RC-LG-85-0057

Director, Office of Nuclear Reactor Regulation
Attention: Document Control Desk
U. S. Nuclear Regulatory Commission
Washington, D. C. 20555

Gentlemen:

Reference: Fermi 2
NRC Docket No. 50-341
NRC License No. NPF-43

Subject: Re-issued NPDES Permit (MI-0039110)
for Fermi 2

In accordance with Section 3.2 of the Fermi 2 Environmental Protection Plan, enclosed for your information is a copy of the re-issued NPDES permit (MI-0039110) for Fermi 2. The permit was approved by the Michigan Water Resources Commission at their August meeting. The permit was subsequently issued August 22, 1985, and was immediately effective.

Please contact Mr. James E. Kepus at (313) 586-4286 if you have any question related to this new permit or interpretation of its provisions.

Sincerely,

A E Woolley for

R. L. Woolley
Acting Supervisor
Licensing
