Dear Mr. Youngblood:

In our letter dated August 28, 1985 we identified PNPP procedure PAP-1602 as the procedure containing the details of our post-trip review program. This letter transmits an uncontrolled copy of that procedure for your review. PAP-1602 will be updated and changed as necessary throughout the life of the plant and will be available for future review at the site.

Please feel free to contact me if you have any comments or concerns.

Very truly yours,

Murray R. Edelman
