Gentlemen:

Pursuant to your letter of December 11, 1970, AEC Source Material Licenses Nos. SUA-56 and SUA-582 are hereby amended to authorize the transfer of the licenses from Western Nuclear, Incorporated, an independent corporation, to Western Nuclear, Incorporated, a wholly-owned subsidiary of Phelps Dodge Corporation. All other conditions of these licenses shall remain the same except that compliance with the statements, representations and procedures specified in your letter of December 11, 1970, is hereby made a condition of both licenses.
