Ladies and Gentlemen:

Please find attached our application for by-product material license. Based on correspondence with our sister firm, R & M Consultants, of Anchorage, Alaska, the information packet is complete. If this is found to be true, please process the material and furnish our license as soon as possible. If additional information is required, please inform us at your earliest convenience. We are also attaching a check in the amount of \$110 for the license.

Sincerely,

R & M ENGINEERING, INC.
