

December 17, 1996

Mr. Keith H. Dinger, Director
Nuclear Safety and Radiation
Protection Courses
Harvard School of Public Health
677 Huntington Avenue LL-23
Boston, MA 02115-6023

Dear Mr. Dinger:

Thank you for requesting my participation as a faculty member in the continuing professional education course Atmospheric Science and Radioactivity Releases scheduled for June 3-6, 1997.

The Nuclear Regulatory Agency has and continues to support Harvard's goal of providing high quality education to the industry's professionals. To that end, I have the support of my agency to participate in the subject course by serving as the closing lecturer on "Key Features Needed in Emergency Dose Projection Systems for Protective Action Decision Making."

If you have any questions, please contact me at (301) 415-6409.

Sincerely,

Aby Mohseni
Emergency Response Coordinator
Incident Response Division
Office for Analysis and Evaluation
of Operational Data
