SUBJECT: Report of Transfers of Generally Licensed Devices,
Quarter Ending June 30, 1985

Gentlemen:

In accordance with the requirements of the U.S. Nuclear Regulatory Commission and Agreement State Regulations, enclosed is a list of transferees within your jurisdiction which have received a generally licensed device from Beckman Instruments, Inc. during the subject quarter. The device is a Beckman Liquid Scintillation System containing 40 microcuries of Cesium-137 manufactured under the provisions of California Radioactive Material License No. GL-1313-30.

Please note that the date of each transfer is coded as the year and day of that year. For example 85181 indicates June 30, 1985.

In the event that we can be of additional service to you, please do not hesitate to contact the undersigned directly.

Respectfully,

Joseph J. Palmerino
