RE: Nuclear Medicine Equipment

Dear Sirs:

This letter is to inform you that we have moved the nuclear medicine equipment from 523 East 22nd, Collinsville, Oklahoma, to Moots Hospital, Pryor, Oklahoma, as we are no longer doing nuclear medicine testing in Collinsville.

I am enclosing sketches of the portable building and its location to the hospital.

If this is not enough information please notify my office.

Yours truly,

John T. Forsythe M.D.
