United States Regulatory Commission
Region 2, Materials Radiation Section
101 Marietta Street
Suite 2900
Atlanta, Ga. 30323

REF: License Revision #47-17619-02

Gentlemen:

Our existing license states in condition 12 that Rick Johnson is to use the gauge or by anyone in the physical presents of Rick Johnson. This individual is no longer employed by this company and we are requesting that our licenese be revised.

W. F. Bailey has assumed the responsibilities of Safety Officer for this company. I have in the past served with Black Rock Contracting Inc., Charleston WV. as their Safety Officer for ten (10) years. I have attended numerous training schools sponsered by Troxler Electronics Labs. Inc. I also have been one of the instructors for the Associate General Contractor School held at Cedar Lakes Wv. and co-sponsered by the WV. Department of Highways. I also am reconized monitor with emergency Services for West Virginia for the past six (6) years.

The licensed material shall be used by or under the supervision of Safety Officer (W.F.Bailey) or any person designated by Safety Officer who has attended a reconized training school such as Troxlers.

If you have any question, please call undersigned.

Sincerely Yours

W. F. Bailey

W. F. Bailey
Radological Safety Officer
