Dear Mr. Potter:

Pursuant to our conversation approximately three weeks ago, please find enclosed the materials necessary for you to amend the Materials License for Richmond Eye and Ear Hospital (License # 45-23055-01 Expires 12/31/89).

As we discussed, the hospital wants to add the name of Dr. Wyndell H. Merritt, M.D. to the Materials License in order for him to be able to use the Lixiscope unsupervised within the confines of the hospital. Dr. Merritt plans on using the Lixiscope in the operating room during surgery and to follow the healing process after surgery.

Should you have any questions concerning this matter, please feel free to contact me at the numbers listed below.

Best Regards,

MEDI-SYSTEMS, INC.
