1555 Connecticut Avenue, N.W., Suite 202  
Washington, D.C. 20036

(202) 232-8550

February 6, 1985

Director  
Office of Administration  
Nuclear Regulatory Commission  
Washington, D.C. 20555

~~FREEDOM~~ OF INFORMATION  
~~ACT~~ REQUEST

FOIA-85-101  
rec'd 02/11/85

To Whom It May Concern:

Pursuant to the Freedom of Information Act (FOIA), 5 U.S.C. §552, the Government Accountability Project (GAP) requests copies of any and all agency records and information, including but not limited to notes, inter-office memoranda, letters, memoranda, drafts, minutes, diaries, logs, calendars, tapes, transcripts, summaries, interview reports, procedures, instructions, engineering analyses, drawings, files, graphs, maps, photographs, agreements, handwritten notes, studies, data sheets, notebooks, telephone messages, books, computations, voice recordings, computer run-offs, representative records, interim and/or final reports, status reports, and any and all other records relevant to and/or generated in connection with the Wolf Creek Generating Station STN-50-482 in the following areas:

- \* Institute of Nuclear Power Operations 1983 (INPO) Report on Wolf Creek. This report, referred to in an October 9, 1984 letter from Darrel G. Eisenhut, Director of the Office of Nuclear Reactor Regulation, to Michele Varricchio of the Government Accountability Project, was received on the Wolf Creek site by NRC Office of Inspection and Enforcement and NRC Region IV representatives,

- \* Investigations conducted during construction and licensing of the Wolf Creek Generating Station by the NRC Office of Investigations,

- \* NRC meeting of January 15, 1985 with Kansas Gas and Electric to discuss the operational readiness of Wolf Creek and a February 6, 1985 meeting held for the same purpose,

- \* NRC meeting held in Bethesda Maryland on November 28, 1984 to discuss the status of completion and future schedule for licensing of Wolf Creek,

Director  
Office of Administration

\* NRC investigations and inspections regarding the allegations of James Wells, employee at Wolf Creek.

\* NRC Region IV meeting October 29, 1984, Enforcement Conference.

If any records as defined in 10 CFR §9.3(b) and the NRC Manual, supra, and covered by this request have been destroyed and/or removed after this request, please provide all records which have been or are destroyed and/or removed, a description of the action(s) taken relevant to, generated in connection with, and/or issued in order to implement the action(s).

GAP requests that fees be waived, because providing the requested information "can be considered as primarily benefitting the general public," 5 U.S.C. 552(a)(4)(A). GAP is a non-profit, non-partisan public interest organization concerned with honest and open government. Through legal representation, advice, national conferences, films, publications, and public outreach, GAP promotes whistle-blowers as agents of governmental accountability. GAP is currently working with citizens groups in the Kansas area concerning the Wolf Creek Generating Station.

For any documents or portions of documents that you deny access to, please provide an index, as required by Vaughn v. Rosen, 484 F.2d 820 (D.C.Cir. 1973), cert. denied, 415 U.S. 977 (1977), itemizing and describing the documents or portions of documents withheld, and providing a detailed justification of your grounds for claiming each exemption.

Thank you for your prompt response to this request. We look forward to such a response within ten days.

Sincerely,

  
Michele Varricchio  
Law Clerk

  
Thomas Devine  
Legal Director
