Attention: Isabel Martin

Gentlemen:

Transmitted with this letter is our application for by-product material license (industrial) with our \$110.00 application fee.

The application is for our Anchorage Office presently located at 624 West International Airport Road. We are moving and effective January 1, 1983 our location and address will be 601 East 57th Place, Anchorage, AK 99502. A revised sketch of the new location will be forward to you following our move.

We are preparing to start a project which requires use of these gauges and would appreciate your earliest attention to our license approval or possibly an interim authorization.

Please call if you have questions.

Very truly yours,

HARDING LAWSON ASSOCIATES
