

December 18, 1996

EG&G Florida, Inc.
ATTN: Paul V. Humbert, M.D., Chairman
Radiation Safety Committee
P.O. Box 21296
Kennedy Space Center, Florida 32815

SUBJECT: RECOGNITION OF RECIPROCITY - CALENDAR YEAR 1997

Dear Dr. Humbert:

This acknowledges receipt of your Report of Proposed Activities in Non-Agreement States (NRC Form 241) dated December 12, 1996, and receipt of the initial recognition fee as required by 10 CFR 150.20(b) and 10 CFR 170.31 (Category 16 - Reciprocity).

License Number 1219-1 issued by Florida State is recognized as valid for use in non-Agreement States for up to 180 days in calendar year 1997 only. We have assigned a Location Reference Number (LRN) to each site you have reported. We note that your license has a June 30, 1997 expiration date. No work may be done after that date in NRC jurisdiction without a valid license. Please provide us with a renewed license or notification of extension of the expiration date prior to June 30, 1997.

As per prior agreement with this office, EG&G may report activities at Cape Kennedy and CCAS as a part of the routine radiography reporting system, reporting information to NRC on the first business day following the work.

The Commission may, at its option, conduct an inspection of your activities. We shall notify the appropriate NRC offices and Non-Agreement States.

Our fax numbers are (404) 331-7437/5559. My telephone number is (404) 331-5624. Please call should you have questions.

Sincerely,

Original signed by
D. J. Collins

David J. Collins, Health Physicist
Materials Licensing/Inspection Branch 2
Division of Nuclear Materials Safety
