Dear Mr. McMeekin:

Thank you for your response of December 5, 1996, to our Notice of Violation issued on November 15, 1996, concerning activities conducted at your McGuire facility. We have evaluated your response and found that it meets the requirements of 10 CFR 2.201. Discussions between your staff and the NRC indicate that additional actions are being taken to review the implementation of scheduling and performance of surveillance requirements. We will examine the implementation of your corrective action during future inspections.

We appreciate your cooperation in this matter.

Sincerely,
