RE: Renewal of License 21-18962-01

Gentlemen:

Enclosed are duplicate copies of our application for license renewal. Also enclosed herewith is the renewal application fee of \$120.00 pursuant with Section 170.31, 10 CFR 170 Category J.

At this time, we would like to effect the following condition of the license to reflect our current program.

Storage Location: We propose to store the gauges in our Storage Vault. The Vault is a locked room, 13'W x 22'L x 7'H. Its walls are concrete block and the floor and ceiling are concrete. The nearest office space is approximately 15 feet away from the proposed storage location.

I am SEG's Radiation Protection Officer and, as such, I will be personally responsible for proper storage and handling of our gauges. In review of our application for renewal, please direct all your questions to me.

Very truly yours,

*Gregory F. Krcmarik P.E.*
