TO FOIA-85-293

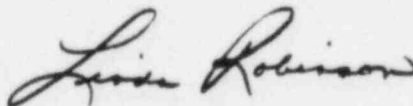

Dear Ms. Rungo:

This is in further response to your letter dated April 17, 1985, in which you requested, pursuant to the Freedom of Information Act (FOIA), copies of computer printout lists of NRC licensees, located in the northeastern and central Tennessee valley regions of the United States, which can store low source activity nuclear service equipment.

A copy of our second list is enclosed. The charge for producing the enclosed list is \$12.00.

We are awaiting the results of our final search efforts, and we will write you again when that activity is completed. You will be billed by the NRC's Division of Accounting and Finance for the amount of \$12.00 plus charges for any additional list we may send you.

Sincerely,

for J. M. Felton, Director
