Uranium Process Licensing Section
Uranium Fuel Licensing Branch
Division of Fuel Cycle and
Material Safety, NMS
Washington, DC 20555

Dear Ms. Horn:

Reference: NRC License No. STB-401 - Docket No. 40-6563

This is in response to your request for information needed to perform an environmental assessment of our Columbian-Tantalum Division operation. The enclosed report provides the information required in the Environmental Information Outline you furnished. As agreed during your visit on March 26, 1985, we have identified those paragraphs which will be provided by the NRC.

Should you require additional information to perform your environmental assessment, please contact me directly.

Sincerely,

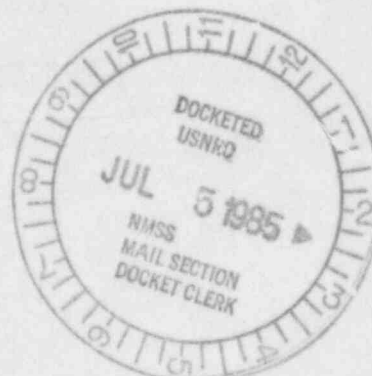

MALLINCKRODT, INC.
