IN RESPONSE REFER
TO FOIA-85-638

Dear Mr. Barru:

This is in response to your letter dated September 10, 1985, in which you requested, pursuant to the Freedom of Information Act (FOIA), records containing the following information.

1. Locations of commercial and military reactors in the United States.
2. Locations of radioactive materials storage facilities, processing facilities (including mines), and radioactive waste disposal facilities in the U.S.
3. Nuclear weapons storage facilities.

In response to item one of your request, enclosed is a copy of the U.S. Nuclear Regulatory Commission 1984 Annual Report.

You may submit an FOIA request for information on military reactors and nuclear weapons storage (Items one and three) to the Department of Energy official whose name and address are provided below.

Mr. Ronald R. Turner, Director
Reference and Information Management
Office of Administrative Services
Department of Energy
1000 Independence Avenue, SW
Washington, DC 20585

We have been unable to locate a telephone number for you to discuss item two of your request. We can provide you with a printout containing the information you seek for a cost of approximately \$50.00. Should you still be interested in this information, please write to me indicating your willingness to pay the charges.

Sincerely,

J. M. Felton, Director
Division of Rules and Records
Office of Administration
