SUBJECT: 1997 EMERGENCY PREPAREDNESS EXERCISE OBJECTIVES

Dear Mr. Carns:

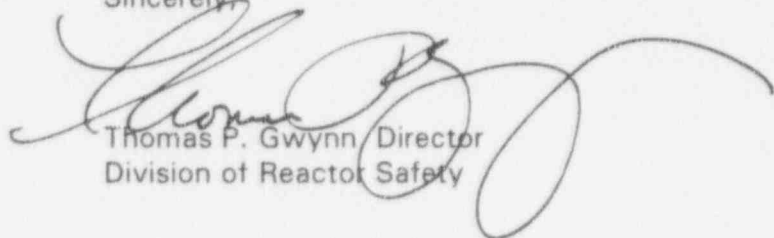

We have reviewed your letter dated November 20, 1996, and the enclosed objectives for the Wolf Creek Generating Station emergency preparedness exercise scheduled for February 25, 1997.

Based on our review, we determined that the exercise objectives are appropriate to meet emergency plan requirements. Minor questions were resolved during a December 17, 1996, telephone discussion with Mr. Tim East of your staff.

We contacted the Federal Emergency Management Agency (FEMA), Region VII, during our review. Mr. Joseph Schulte had no comments for us to relay to you.

Should you have any questions concerning this letter, please contact Ms. Gail Good of my staff at (817) 860-8215.

Sincerely,

Thomas P. Gwynn, Director
Division of Reactor Safety
