Division of Licensing and Regulation

Gentlemen:

By this letter Mines Development, Inc. hereby submits its application for renewal of its Source Material License No. R-174, dated April 24, 1956, and expiring April 1, 1962, and including subsequent revisions and amendments. This license was issued to operate a uranium concentrating plant at Edgemont, South Dakota, in conjunction with a contract to purchase uranium concentrate between the Atomic Energy Commission and the applicant.

Your early consideration of this request will be appreciated.

Yours very truly,

MINES DEVELOPMENT, INC.

G. H. Bryant, Manager
Metallurgical Division
