Attention: Mr. J. H. M. Clinch
President

Gentlemen:

Pursuant to the Atomic Energy Act of 1954 and Section 40.21 of the Code of Federal Regulations, Title 10 - Atomic Energy, Chapter 1, Part 40 - Control of Source Material, you are hereby licensed to receive possession of and title to raw and refined source material without limitation as to quantities, from producers, processors and distributors licensed by the AEC for resale and for processing with raw source material from your own mining operations.

You are further licensed to transfer and deliver possession of and title to raw and refined source material including raw source material from your own mining operations, to any person licensed by the Atomic Energy Commission, within the limits of his license.

As a condition of this license, you are required to maintain records of your inventories, receipts and transfers of refined source material.

This license is subject to all the provisions of the Atomic Energy Act of 1954 now or hereafter in effect and to all valid rules and regulations of the U. S. Atomic Energy Commission.

Neither this license nor any right under this license shall be assigned or otherwise transferred in violation of the provisions of the Atomic Energy Act of 1954.

This license shall expire on April 1, 1962.

FOR THE ATOMIC ENERGY COMMISSION
