Control No. 398605

Dear Ms. Vacherlon

I am in receipt of Amendment No. 04 of our NRC Material License No. 48-18722-01. In the letter that accompanied the license you had questioned the Troxler Model 4640 and Model 4545.

Please refer to My license submittal Attachment # 3 Item # 6 Section A here I did refer to the 4640. Model 4545 is not listed as to date we have not purchased this gauge but there is still a possibility that we could. Do I need to list this gauge in the same place or notify you when the purchase has been completed? If possible please continue to list this gauge.

If additional questions occur please contact me.

I spoke with Jensen on 12/17/96 and resolved his questions. Both gauges are still listed on the license. Bgtm c.
