IN RESPONSE REFER
TO FOIA-85-582

Dear Mr. Hanauer:

This is in response to your letter dated August 13, 1985, in which you requested, pursuant to the Freedom of Information Act, copies of Power Plant Examination Results Summary Sheets for examinations given before the issuance of the operating license for 10 listed power plant units.

Please find enclosed a copy of the power plant examination results summary sheets for LaSalle 1, Salem 2, San Onofre 2, St. Lucie 2, and Summer 1. Portions of the records have been deleted in order to withheld the names and identifiers of individuals who took the exams because disclosure of this information would constitute a clearly unwarranted invasion of personal privacy. In regard to previous conversations with you, it is our understanding that this information is not within the scope of your request.

We have been informed by the staff that the summary sheets for Farley 2, McGuire 1, North Anna 2, and Sequoyah 1 and 2 were destroyed prior to receipt of this request.

If you have any questions concerning this matter, please contact Dick Lavins, (301) 492-9564.

Sincerely,

A handwritten signature in cursive script, appearing to read "J. M. Felton", written in dark ink.

J. M. Felton, Director
Division of Rules and Records
Office of Administration

Enclosures: As stated
