SUBJECT: Lakeview Remedial Action Committee Meeting

Our next Advisory Committee meeting, as we arranged at our last meeting, will be held on July 10, 1985. The meeting will be in the County Commissioners hearing room, County Courthouse at 7:00 p.m. I have attached an agenda for this meeting.

We will be discussing Radon monitoring, vicinity property surveys, and an update on where our process is heading. Leon Stepp from Jacobs Engineering, and Jim Brinkman, project hydrologist will be there to answer any questions we may have.

See you next week.
