Docket No. 50-312

Sacramento Municipal Utility District  
P. O. Box 15330  
Sacramento, California 95812

Attention: Mr. Ronald J. Rodriguez  
Assistant General Manager, Nuclear

Gentlemen:

Subject: Systematic Assessment of Licensee Performance (SALP)

A meeting to discuss the SALP assessment of the performance of your Rancho Seco facility was held on September 16, 1985, at the Region V Office in Walnut Creek, California. The evaluations presented in the SALP Board report, forwarded to you by letter of September 9, 1985, were discussed with members of your staff to emphasize weaknesses and strengths in certain functional areas.

Several typographical and editorial errors in the SALP Board report were identified during the meeting and are corrected by the attached errata sheets.

Your written response to the SALP assessment is requested by October 16, 1985, including comments and amplifications on the SALP Board report, and corrective actions to be taken in functional areas rated Category 3.

In accordance with Section 2.790 of the NRC's "Rules of Practice", Part 2, Title 10, Code of Federal Regulations, a copy of this letter will be placed in the NRC's Public Document Room, as will your response regarding the SALP assessment.

Sincerely, Original signed by  
D. F. Kirsch

D. F. Kirsch, Acting Director  
Division of Reactor Safety and Projects
