1. Attached, please find our check # 41404 in the amount of \$120.00. We would like to request amending our above referred license for the following purposes:
 - a. authorization for our possession of a 153-Gd Sealed Source with activity of one Curie (1 Ci). This Source will be used for diagnostic purposes in our Department of Nuclear Medicine. Once our license has been amended by the U. S. Nuclear Regulatory Commission, we will proceed with acquisition of this Source from Gulf Nuclear, Inc. P.O. Box 57638, Webster, Texas 77598, to be used with a DP 3 Spine-Femur Scanner manufactured by: Lunar Radiation Corp., 916 Williamson St., Madison-WI 53703 and we are expecting delivery within a few weeks.
 - b. deletion of the names of the following authorized users from our above-mentioned license: Mariano Guzman, M.D. and S. SrikantaSwamy, M.D.
2. We also would like to take this opportunity to thank you for your approval of Theodore J. Matuga, M.D. as authorized user under amendment no. 37 of this license.
3. Your assistance in expediting this current license amendment request is greatly appreciated.

Sincerely yours,

John H. LeVan, Ph.D.
