Dear Mr. Haddock:

This refers to your letters dated June 10, 1996 and November 22, 1996. Regarding the June 10th letter, per your request, Appendix B of the Building Recovery Project report will be withheld from public disclosure under 10 CFR 2.790. However, Appendix C is not owned by Advanced Medical Systems, Inc. (AMS), and as such, per 10 CFR 2.790(b)(1)(ii), AMS is not the correct party to submit an affidavit for withholding this information. The owner of the information is Chem-Nuclear Systems, Inc. (CNSI); therefore, CNSI must submit the required affidavit for withholding of the material. We have informed CNSI, by letter dated December 18, 1996, that if it wishes to have Appendix C withheld from public disclosure, it must submit an application for withholding and an affidavit in accordance with 10 CFR 2.790(b) within thirty days of the date of that letter. Pending a submission by CNSI of an application and affidavit and a final determination regarding disclosure, we will take no action with respect to the disclosure of Appendix C.

Regarding the November 22nd letter, we have extended the deadline for your response to our October 31, 1996 letter, in which we requested additional information to AMS' renewal application, to January 3, 1997.

If you have any questions or require clarification on any of the information stated above, please call Michael Weber of my staff at (630) 829-9825.

Sincerely,

John R. Madera, Chief
Nuclear Materials Inspection Branch 1
