Dear Mr. Sherr:

Carolina Power & Light Company (CP&L) hereby submits a revision to Section 1.3 of the Shearon Harris Nuclear Power Plant (SHNPP) Special Nuclear Material License Application. This amendment addresses your concerns provided via Reference 3. Eight copies of the revised application material, as required by Regulatory Guide 3.15, are enclosed for your review and approval.

Pursuant to 10 CFR 2.790, CP&L hereby requests that Section 1.3 of the Special Nuclear Materials License application for the SHNPP be withheld from public disclosure on the grounds that this section contains information referred to in 10 CFR 2.790(d)(1) and 9.5(a)(4) (i.e., commercial information which concerns the physical protection of the SHNPP and Special Nuclear Material which is not designated as Safeguards Information). Attached hereto is an affidavit which more fully sets forth the reasons why the information should be withheld from public disclosure. The Company requests that this affidavit also be withheld from public disclosure along with Section 1.3 of the application.
