Gentlemen:

I am transmitting herewith two copies of form NRC-313(I) which is the application for byproduct material license and a check in the amount of \$110.00. The application is to obtain a license to operate the Troxler Model 3411 Moisture-Density Gauge. The applicants listed in the application will be taking the Troxler's Nuclear Gauge and Radiation Safety training program on October 3rd and 4th of this year. Anything that you could do to expedite the issuance of this license would be greatly appreciated.

Sincerely,

Carl D. Walker
