Walnut Creek, California 94596

Dear Mr. Skov:

Enclosed is our request for amendment to License No. 02-17208-01 (inspection Item 3H).

In addition, we have completed the following items identified in your Safety Inspection Report (NRC Form 591):

Item 3C. We have properly filed a record of inventories completed on each of the three gauges. The inventories were completed in May 1985.

Item 3D. We received and filed the leak test analysis of source No. M19113009. The Radiation Detection Company reported, "The source is not considered to be leaking."

Sincerely,

Enclosure
