SUBJECT:

Radioactive Material License Extension

TO:

USAF HOSP/SGPB  
AFMSC/SGPZ  
BROOKS AFB TX 78235-5000  
IN TURN

1. Request USNRC Radioactive Material License #04-11398-03 be extended beyond its expiration date of 30 April 1985. This extension is requested because we are presently in the process of disposing of the radioactive materials covered by this license. Upon disposal of the materials we will provide details on final disposition, and request termination of this license. Materials will continue to be handled/stored as stipulated in the license until disposal is completed.

2. If there are any questions concerning this request contact TSgt Doig at Autovon 276-7811.

CHARLES D. SENIAWSKI, Lt Col, USAF  
Commander

1st Ind, USAF Hospital Vandenberg/SGPB

19 Mar 1985

TO: AFMSC/SGPZ, Brooks AFB, TX 78235-5000

Recommend this extension be granted. Disposal of materials is being coordinated and monitored through this office.

DENNIS R. ARMSTRONG, Captain, USAF, BSC  
Base Radiation Protection Officer
