Dear Mr. O'Brien:

This is to let you know that we are still in the process of reviewing your June 6, 1996, letter requesting a review of the application fees for License 29-00055-17. We are working with the licensing staffs on the issues you raised; however, due to the complexity and number of licenses involved, our response is taking longer than anticipated. We appreciate your patience in this matter and will provide a response as soon as possible.

Sincerely,
