Subject: Application for By-product Material License

Dear Sir:

I am enclosing the application for "By-product Material License" for Thermedics, Inc. of 470 Wildwood Street, Woburn, MA.

We previously applied for an amendment of By-product License No 20-13146-03 under Thermo Electron Corporation of Waltham, MA.

Due to an organizational change, Thermedics, Inc., is now a subsidiary of Thermo Electron Corporation and it is necessary that, it has its own license.

Dr. Fred N. Huffmann of Thermo Electron Corporation will serve as a radiation protection officer. A license fee of \$230.00 is enclosed.

If you need any further information, please contact me at (617) 890-8700, ext. 251.

Sincerely,

Esen Ulku Goff
